## LOVE BURTT'S CORNER JUNE 12<sup>TH</sup> – 13<sup>TH</sup>

It was another great weekend for Love Burtt's Corner! The weather was perfect and the turn-out terrific. Many attended our free pancake breakfast on Saturday morning after they had toured all the items up for grabs at our free yard sale. We gave away 125 bottles of water, 125 bags of popcorn, over 500 cookies, and nearly 80 cups of lemonade at the booths we had set up throughout the community. Go-Go Gymnastics set up 2 bouncy castles that were a hit with the children and we had a free BBQ and ice cream cones to end the Saturday morning events.

On Sunday, we held a community service which included our congregation and congregations from the Burtt's Corner Baptist Church and the Cornerstone Bible Church. It was thought by many to have been one of the best attended community services we have ever had. Our community volunteers were also honoured at the conclusion of the service and all enjoyed a BBQ and homemade pies.

Thanks to all those who helped in so many ways to make this weekend such a success! Whether you helped on Friday night, baked cookies, popped popcorn, helped out on Saturday or Sunday, we couldn't have done it without you. Together we showed God's love towards our community in a practical way.

Karen McNeill, Barb Hong and Shauna Mumford help out with the BBQ.

The lemonade gang gave out over 80 cups at Bird's Store.

Becca McLaughlin shows her mother Krista her rockin' Love BC hat and shades.

The Gospel Way performed a few special songs during the Sunday Service.

The largest crowd to date gathered for the Love Burtt's Corner Sunday Service.

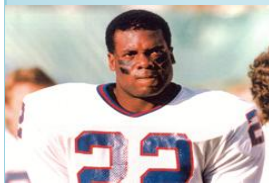

The BBQ'd hot dogs, hamburgers, and homemade pies were a hit on Sunday.

## SPORTS MINISTRY UPDATE

The BCCoC Sports Outreach Ministry hosted an indoor volleyball game on Sunday, April 25 at the KVMS Gymnasium. A great time was had by all in attendance. Be sure to watch the newsletter, website and church bulletin for future events. Golf, dodgeball, ball hockey and basketball have all been discussed as potential events in the coming weeks and months.

Submitted on time by Travis Bergin... added to the newsletter late by Adam Hanson... Sorry Travis!

## MEN'S PIG OUT

Jerry Pugh, Troy Rickard and Paul Blackmore (men's ministry team), hatched a plan several months ago that involved a pig, charcoal, fire, pie, and potatoes. The part about the pig proved to be a real challenge until brother Ken Hong (the General) came to the rescue. A pig was bought, the roaster sought, and all our doubts just came to naught!

We had a FEAST! The timid stayed away for fear of getting food poisoning maybe??? The brave showed up and enjoyed the fruit of many hours of labour and careful, clean preparation. We can do this! It was all done by men, the menu, the cooking and the eating. Tara MacLean got the shock of her life on the night of preparation when she accidentally walked in on the dead pig, lying cool as a cucumber on the table in the kitchen; but other than that little glitch, all went very well!

Kudos to Ken Hong whose passion for doing this project saw it through from start to finish. Jerry Pugh logged in a lot of time on this project as well. Thanks to Tom Egers who gave us the message about the "Prodigal Son" feeding pigs, and congrats to Bob Jones, Jimmy Hanson and David Wellwood who each went home with a Canadian Tire gift card worth \$20.

This was the inaugural Pig Roast, with many more to come as the Lord wills.

Blessings in Christ

Paul M. Blackmore

## SUMMERFEST 2010 – FAMILY FUN NIGHT AND PARADE ENTRY

We had a great time at the Redneck Games Family Fun Night! Games included plunger toss, hubcap toss, knock over the stacked cans (which Austin loved to play!), fly on the wall (Jenaya Pugh and Brooklyn Spencer were duct taped to the church building), parachute games and lots of fun in the bouncy castles. It was great to have Miss Keswick Valley 2010 Emily Smith with us, along with many other participants from this year's pageant. Thanks to all who helped out with this event. It was once again very well received by our community as the attendance and fun levels were both terrific!

The Pie Eating Contest was a big hit with the young and young at heart. We had 16 contestants sign up for the contest. We had 4 people in each heat the one winning their heat went to the finals. Four contestants in the finals were Jerry Pugh, Thomas Hong, Paul Hanson and Tara MacLean. Paul won the finals but was followed very closely by the other three. Blueberry pie was the flavour so we had some purple faces. Everyone seemed to enjoy the contest, those who watched and those who participated. A gift card from Subway was the prize. Thanks to all who entered, it made for a great contest. Submitted by Allan and Brenda Pugh.

For a third year in a row our entry in the SummerFest parade won the best overall display of theme award and first place in the large float division! This year's float was the vision of Tara MacLean and included a tractor, a smoking cook stove, a laundry ringer, clothesline, a couple old guys in rocking chairs (Ted and Adam), some old fashioned girls rolling out dough at the kitchen table (Jenaya, Bridgette, and Christy), a sheep dog (Habby), and a guy in old fashioned underwear (Jerry).
